Pension WHIZ:

This course is presented in a seminar fashion, providing members and their spouses/partners with information of the Canada Post Pension Plan in more simple and clear language. Unlike the Canada Post Pension Plan course, which is very informative with lots of technical language and ONLY Members of the Plan who are within 5 years of retirement are allowed to attend One (1) time only.

The Pension WHIZ Seminar was created to include all groups and working members, Casual & Temps, Part-time or Full-time, RSMC, and Urban Members, including and not limited to young or not-so-young.

Everyone is included and would be welcome to attend the Pension WHIZ Seminar. The seminar begins with understanding the different types of Pension Plans and how the Corporation threatens CUPW. ONLY Define Benefit Pension Plan.

Learning all the moving parts of the Canada Post Pension Plan with clearer language to explain terminology used on the Individual Annual Pension Statement received every year in the month of April.

This event has been very well reviewed by past participants.

If you have any questions in this regard, please direct them to your local executive.

In solidarity,

Lina McLean,
Regional Education and Organization Officer
